

Belgian Days 2021

WARSAW 15-18.11.2021

The 23rd edition of the Belgian Days will take place from 15 to 18 November 2021.

The Belgian Days is a flagship event of the Belgian Business Chamber. It is a series of business events that allow the Belgian and Polish entrepreneurs to exchange good practices and experience, and, most importantly, to network. The main goal of the Belgian Days is to increase visibility of Belgian businesses in Poland.

The 23rd edition of the Belgian Days will focus on the real estate sector and the Belgian investments in Poland.

This year, as a special addition to the Belgian Days, participants of the Real Estate/PropTech Trade Mission from Brussels will join the events and meet with other entrepreneurs during B2B Meetings in Warsaw.

There will also be plenty of cultural events and a meeting dedicated to women's image in business – all accompanied by the delicious Belgian specialties.

We organize the Belgian Days in cooperation with the Embassy of Belgium and representatives of the investment and trade promoting agencies of the federated entities of Belgium.

King's Day (Koningsdag, Fête du Roi, Fest des Königs) has been celebrated since 1886 on 15 November which is the name day of both Leopold and Albert, the names chosen for the first four heirs to the Belgian throne.

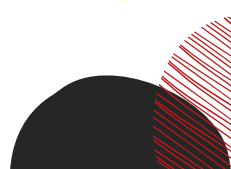

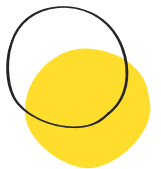

Every year, King's Day is an occasion to cherish Belgium's unity in its multicultural diversity. It is also a moment to rejoice in the solidity of Belgium's ties with its many partners abroad.

This year, we will celebrate King's Day at a festive reception hosted by the Ambassador of Belgium to Poland, Luc Jacobs.

The event is by invitation only.

WITH
ATANERES ENSEMBLE

At this special concert hosted by the Embassy of Belgium and held at the Lutheran Holy Trinity Church, Maestro Piet Swerts (piano) will present his latest production: "P.S.
