## Length of term

Possible changes might be introduced following a vote of BBC Members that will take place during the General Assembly in June 2024. Among the potential key changes, the term of BBC Board Members **might be extended** from 2 to **3 years**.

This is why it is important for you to consider that, if you would like to apply for the BBC Board Member position, your term might last 3 years, if the change is approved (and not 2 years as it was the case so far).
