Transport & Industry Seminar

WARSAW 12.11.2024

The Transport & Industry Seminar will highlight the pivotal role of Belgian companies in revolutionizing the transport and production industries through advancements in **intermodality and electromobility**.

The seminar will explore how seamless integration of various transportation modes and the transition to electric vehicles are being driven by **Belgian innovations**, enhancing efficiency, **sustainability**, and reducing **environmental impact**.

Through case studies and expert discussions, attendees will gain insights into the successful **Belgian-Polish collaborations** that are shaping a more sustainable and interconnected future for transport and industry in Poland.

Target group: transport sector leaders and managers, industry specialists

#CEO #Exclusive #Gala

The CEO Forum, featuring Belgian and Polish CEOs, is an influential event that fosters collaboration, knowledge sharing, and relationship building among top executives.

By bringing together leaders from different industries and cultures, this forum plays a significant role in enhancing business ties and driving economic growth between Belgium and Poland.

The CEO Forum will feature a Guest of Honour from the world of Polish politics and business, who will grace the event with a key speech.

During this sublime event, three of the BBC's Member companies will be presented with the prestigious Belgian Business Chamber Award.

Target group: CEO's, top managers, business owners, industry leaders

PARTNERSHIP OFFERS

What is a partner in-kind of the Belgian Days?

A partner in-kind is a partner who contributes goods or services instead of money. In other words, the partner provides something of value, such as goods, decoration, expertise, or other resources, to the Belgian Days. The value of the contribution is typically measured in monetary terms.

For a partner to be considered in-kind in the context of Belgian Days, the contribution needs to be valued **at least at 3000 PLN netto.**
