#BridgeToBelgium #InvestInBelgium
#ExportOpportunities #PolandToBelgium

The event will be preceded by a dedicated **press conference**, ensuring strong media representation and broader visibility.

"Bridge to Belgium Reveal" will officially open the Belgian Days 2025 and mark a historic milestone for the Belgian Business Chamber.

Designed as **a strategic gateway for Polish companies**, this high-impact event offers actionable knowledge and connections for those looking **to export to or invest in Belgium**.

Participants will gain practical, **step-by-step insights** into doing business in Belgium—from legal frameworks and tax systems to logistics, market access, and regional investment opportunities. The event will also highlight Belgium's economic landscape through presentations from its **key regions (Flanders, Wallonia, Brussels)**, case studies of Polish companies already active in Belgium, and expert-led discussions on how to navigate the cultural and operational nuances of entering the Belgian market.

Target group: Polish companies interested in exporting to or investing in Belgium, including SMEs, investors, and trade professionals.

Industry & Logistics Seminar

WARSAW 18.11.2025

The Industry & Logistic Seminar is a strategic platform designed to bring together **leading industrial leaders** and key players from the logistics sector.

As industries evolve and supply chains grow more complex, seamless **collaboration** between manufacturing, production, and logistics is essential for competitiveness and growth.

The event will feature insightful presentations, expert panels, and focused networking sessions that explore the challenges and opportunities within Poland's strategic industries—such as automotive, manufacturing, energy, and technology—and the critical role logistics plays in supporting these sectors.

Target group: Manufacturers, logistics providers, and industry stakeholders from Poland and Belgium involved in strategic sectors.

Talent & Diversity Masterclass

WARSAW 18.11.2025

In today's rapidly evolving business landscape, diversity and inclusive leadership are not just ethical imperatives—they are key drivers of innovation, resilience, and sustainable growth.

The Talent & Diversity Masterclass will bring together Belgian and Polish business leaders, experts, and institutions to explore how organizations can create more inclusive workplaces, unlock diverse talent, and lead with purpose.

This thought-provoking event will also serve as the potential launch of the BBC Circle: "People & Diversity", a new platform within the Belgian Business Chamber aimed at fostering ongoing dialogue and action on diversity, equity, and inclusion (DEI).

The event will be followed by an **exclusive concert** in collaboration with the **Julian Cochran Foundation**, adding a unique cultural highlight to the afternoon and creating an inspiring setting for continued networking.

Target group: Business Leaders & CEOs, HR Directors & Talent Managers, Diversity, Equity & Inclusion (DEI) Officers

#social #business #networking #belgiancuisine

The Belgian Business Mixer is designed as a vibrant, maritime-inspired networking event that brings together business professionals, entrepreneurs, investors, and stakeholders from both the Belgian and Polish markets. Set in the stylish Seafood Station, guests will enjoy authentic Belgian-style seafood while making meaningful business connections in a relaxed, coastal-inspired atmosphere.

Whether you're looking to initiate new partnerships, strengthen existing ones, or simply grow your network within the Belgian-Polish business ecosystem, this mixer offers a unique and friendly platform to do so.

This year there will also be a charitable lottery with prizes from our partners. Don't miss this exceptional evening of culture, networking, and charity, held at one of Warsaw's top venues.

Dress Code: Maritime style encouraged—think fresh, nautical, and casual chic!

Target group: all sectors business developers and business owners

#TripleTechSummit #TechInnovation
#StartupEcosystem #FutureTech #AI #Innovation

WARSAW 20.11.2025

A dynamic gathering of startups, scaleups, and innovators from Belgium and Poland, the Triple Tech Summit spotlights cutting-edge developments in AI & deep tech, green tech & sustainability, and digital transformation.

The summit creates a unique space to explore how these three technology sectors are shaping industries and societies. Through startup pitch sessions, inspiring keynotes, and interactive panel discussions, participants will dive into innovation trends, challenges, and success stories from both ecosystems.

This event is ideal for tech founders, investors, corporates, innovation hubs, and anyone passionate about the future of technology. Whether you're scaling a product, scouting for innovation, or looking to engage with the region's brightest minds—Triple Tech Summit is where the future connects.

Target group: Startups, tech innovators, investors, and ecosystem builders from Belgium and Poland.

CEO Forum

WARSAW 20.11.2024

The CEO Forum, featuring Belgian and Polish CEOs, is an influential event that fosters collaboration, knowledge sharing, and relationship building among top executives.

By bringing together leaders from different industries and cultures, this forum plays a significant role in enhancing business ties and driving economic growth between Belgium and Poland.

The CEO Forum will feature a Guest of Honour from the world of Polish politics and business, who will grace the event with a key speech.

During this sublime event, three of the BBC's Member companies will be presented with the prestigious Belgian Business Chamber Award.

Target group: CEO's, top managers, business owners, industry leaders

PARTNERSHIP OFFERS

What is a partner in-kind of the Belgian Days?

A partner in-kind is a partner who contributes goods or services instead of money. In other words, the partner provides something of value, such as goods, decoration, expertise, or other resources, to the Belgian Days. The value of the contribution is typically measured in monetary terms.

For a partner to be considered in-kind in the context of Belgian Days, the contribution needs to be valued **at least at 3000 PLN netto**.
