The construction of the future

For over 30 years, BUDMA has been one of the most important events for the construction industry in Central and Eastern Europe.

The International Construction and Architecture Fair is a meeting place for manufacturers and distributors of modern technologies and building materials with traders, architects, contractors, and investors. 4 days of the fair offer an opportunity to discover market premieres, new products, and to take part in expert events that address the most current issues in the construction sector. BUDMA is a 30-year-long history unfolding in the heart of Wielkopolska, promoting the region and the country worldwide.

THEMATIC ZONES

BUDMA will feature 12 thematic zones. This set of twelve themed areas offers a focused exhibition and a dedicated event program to support anyone seeking modern solutions. In cooperation with industry institutions, we are launching spaces where both exhibitors and visitors will find what is most important to their industry. The showrooms will also include substantive events that touch on key areas and issues.

PRIORITY PRO-EXPORT MARKETS

Poznań – City worth visiting

Poznań is a dynamic city combining modernity with a rich historical heritage, ideal for foreign visitors seeking culture, innovation and an authentic Central European atmosphere. Visit the Old Market Square with its Renaissance Town Hall and goats, Ostrów Tumski – the cradle of Polish statehood, and the modern art and business center Stary Browar. A stroll by Lake Malta and an evening at one of the elegant restaurants in Jeżyce will give you a feel for the modern face of the city. Poznań also impresses as a trade fair and conference center, offering ideal conditions for business meetings surrounded by history and culture.

Key places on the map of Poznań:

- Old Market Square – the historic heart of the city with its colorful townhouses and daily goat show at 12:00 pm.
- Ostrów Tumski – the oldest part of Poznań with the Archcathedral Basilica and the fascinating history of Poland's beginnings.
- Stary Browar – an innovative center of commerce, art and design in a former 19th century beer brewery.
- Poznań International Fair (MTP) – one of the largest trade fair centers in Central Europe.
- Imperial Castle – a monumental residence from the Prussian partition, today a center for culture and events.
- Lake Malta – a recreational oasis with walking trails, a regatta course and the Malta Thermal Baths.
