

WELCOME TO FLANDERS

where innovation thrives.

Flanders
State of the Art

Vlaio and Flanders Investment & Trade invite you to discover Flanders, a region at the forefront of technology and innovation, during an exclusive 4-day high level experience. Participation is free—secure your spot now!

DAY 1 – MONDAY 23/03/2026 - C-LEVEL FLANDERS INDUSTRY SUMMIT

Join international leaders, policymakers and industry c-levels in an open dialogue on the future of industry and investment—both in Flanders and worldwide.

Through international insights and shared experiences we identify opportunities to learn, to improve, and to leverage our strengths more efficiently. In attendance of members of the Flemish Government.

Venue: Handelsbeurs, Antwerp.

DAY 2 & 3 – TUESDAY & WEDNESDAY 24 & 25/03/2026 – GUIDED FLANDERS TECH TOURS

For two days Flanders Investment & Trade will guide you on an all-inclusive tech tour throughout Flanders to meet & discover the strongest technology companies and innovative infrastructure. Each day offers three full-day thematic tracks. As a *Welcome To Flanders* participant, simply choose the one that matches your focus — free of charge.

CLIMATE TECH TOUR

Flanders
in transition

HEALTH TECH TOUR

Flanders as a life
science hub

DIGITECH TOUR

Flanders as the digital
engine of Europe

DAY 4 – THURSDAY 26/03/2026 – SUPERNOVA x LOVE TOMORROW

SuperNova is more than an event: it's a movement. The biggest tech festival in Flanders unites entrepreneurs, investors, businesses, policy makers, and visionary speakers who believe in shaping the businesses of tomorrow.

As from 2026, this tech & innovation festival joins forces with Love Tomorrow (Tomorrowland). You'll enjoy full access to tech talks, inspiring breakout session, live pitching stages and networking booths.

Venue: Waagnatie, Antwerp. Read more at [supernovafest.eu](#)
