

Candidate award – Plopsa

Question 1

We have an intensive programme in charity at Plopsa. We have supported language courses for ukrainian people (polish 4 hours a week till end of 2022 minimum). Summer camps for ukrainian kids. We organised day activities for kids during summer months and weekends.

We bought school materials and start up sets for ukrainian schools and ukrainian school kids.

We supported vaccinations and medical treatment.

Bought new beds & sleeping equipment for kids

In addition we also supported sports activities and roller skate course for kids.

Summer Camps and Activities in Wiązowna Area

Throughout August, the Municipal Cultural Center in Wiązowna, thanks to the support of Majaland, carried out creative and artistic workshops, ceramics, survival classes, sports activities lasting several hours, among others. Academy of strange sports, Teambuilding - a day of integrating games, mini Olympic's, a festival of various sports, a rollerskating course.

All holiday activities took place in rural community centers and recreation areas throughout the Wiązowna commune. In total, there were as many as 37 various meetings.

All classes were open to the public, and most importantly, free of charge. The classes included children living in the Wiązowna commune, but the main Focus was on children of Ukrainian origin who will live in our commune.
