

BPI Real Estate Poland support for Ukraine

Total support

- At the center of BPI Real Estate Poland's strategy are the values of sustainable development and corporate social responsibility. The ambition of our company, as well as the entire CFE Group, to which our company belongs, is to become "heroes of future generations". Hence, in addition to environmental challenges, we address social challenges in our operations.
- BPI Real Estate Poland have always been very active in CSR, but in recent months our activities have taken a turn for the better. BPI Real Estate Poland support for Ukraine in total was **more than 300.000 PLN**
- BPI Real Estate Poland share in donation for Ukrainian citizens – 100.000 PLN (total collection 500.000 PLN)
- BPI Real Estate Poland share in donation for Polish Humanitarian Action and the Center for Women's Rights 10.000 PLN (total collection more than 750.000 PLN)
- Towarzystwo Przyjaciół Ukrainy - 40.000 PLN
- Polska Akcja Humanitarna – 35.000 PLN
- SOS Wioski Dziecięce - 58.000 PLN
- Militarieli Foundation - 7.000 PLN
- Happy Kids Foundation – 20.000 PLN

Financial support - pomagam.pl

- BPI Real Estate Poland together with CFE Poland, as well as Plopsa - Studio 100 and Momentum Capital BV held a financial collection in which was raised a total of PLN 500,000.
- The money was donated to help Ukrainian citizens, both on the ground in Ukraine and in Poland.

Collection of items

- At the office of BPI Real Estate in Warsaw was organized a collection of items for people from Ukraine to meet their basic and immediate needs.
- BPI Real Estate team got very involved in this initiative! Together employees donated baby strollers, diapers, baby food, clothes for children and adults and hygiene products.
- The donations were handed over to aid organizations working for the Refugees.

Ambulance

- BPI Real Estate Poland and CFE Poland, decided to finance the construction of an off-road ambulance, which was donated to the Ukrainian side.
- The funds were used to convert the off-road vehicle into an ambulance and to equip it fully with the equipment needed to provide assistance in hard-to-reach places. The funds credited the account of the TPU Foundation - Society of Friends of Ukraine.

Employee volunteerism

- As part of our employee volunteering, BPI Real Estate team was engaged in direct assistance at the border, helping refugees with transportation to onward destinations.
- Our company also allowed our employees to take additional leave related to refugee relief efforts.

Direct support

- BPI Real Estate team included people who also took refugees under their roof. As we are of the opinion that it's worth following a good example, we decided to convert our sales office in Warsaw into a temporary apartment, where a Family from Ukraine moved in at the end of April.
- We have supplied our guests with basic products, such as foodstuffs and hygiene products to enable their family to function normally.

#ActiveShapers

#przyjacieIFundacji

W centrum strategii BPI Real Estate Poland są wartości zrównoważonego rozwoju oraz społecznej odpowiedzialności biznesu. Ambicją naszej firmy (jak i całej Grupy CFE, do której należy nasza spółka) jest stać się „bohaterami przyszłych pokoleń”. Stąd też oprócz wyzwań ekologicznych, w swojej działalności podejmujemy się wyzwań społecznych. Los dzieci jest nam bardzo bliski. Kiedy dowiedzieliśmy się o akcji ewakuacji dzieci z ukraińskich domów dziecka i pieczy zastępczej organizowanej przez Fundację Happy Kids, nasz zespół nie miał wątpliwości, że warto wesprzeć ten szczytny cel.
