The strategy aims to create favorable conditions for companies from both countries looking to expand their operations or establish business partnerships.

First of all, we should emphasize that since 2022, Mariusz Kowolik (Partner at Sadkowski i Wspólnicy) has held a key position as a board member of the Belgian Business Chamber. He actively participates in chamber initiatives. Moreover, other lawyers from the Law Firm also actively participate in networking events organized by the Belgian Business Chamber.

The undeniable success of Sadkowski i Wspólnicy is influenced by the comprehensiveness of services offered across a dozen specialized areas. Undoubtedly, one of the advantages of our Law Firm is providing services across various sectors, including: trade, service, production, financial, IT, and real estate.

Furthermore, we have had the privilege of repeatedly serving clients from the Benelux countries in legal matters pertaining to real estate transactions. Also notable are our legislative successes in the area of immigration law, which resulted in filling gaps in Polish legislation.

The achievements of Sadkowski i Wspólnicy would not have been possible without a highly qualified team consisting of attorneys-at-law, advocates and tax advisors. We have been repeatedly recognized and awarded in both Polish and international legal rankings. In 2023, the Law Firm was recommended in rankings such as: The Legal 500 EMEA, IFLR1000, Legal Awards by The Lawyers Global, Poland's Best Law Firm by Forbes, and Rzeczpospolita Ranking.
