INTRO

Holding the privilege of Amber Winner of the BBC Award 2020 we've continued to conduct our business in a responsible, innovative and value adding way standing strong in our commitment to turn the former Gdansk Shipyard area into a new inclusive and sustainable destination, where a resilient community will thrive, in the spirit of the place that is known around the world as the cradle of Solidarność.

WHAT ACTIVITIES DO YOU THINK HAVE CONTRIBUTED SIGNIFICANTLY TO YOUR COMPANY'S SUCCESS IN POLAND AND TO STRENGTHENING BELGIAN-POLISH BUSINESS RELATIONS?

We, as Stocznia Cesarska Development, combine the best of both worlds. The standards and work ethics of a Belgian company as well as the local know-how and dedication of a Polish workforce, that combined are meant to succeed.

Through our openness (opening the area to visitors, introducing placemaking activities, and involving NGOs in the development process), honesty (we always do what we say), and careful approach towards the monument buildings (we've renovated two historic buildings and received awards for the renovations) we were able to obtain social acceptance and support for the revitalization of the most historic part of the Gdańsk shipyard.

We strongly believe that through this both our Belgian owners and other Belgian investors are being perceived very positively and gained an even better reputation, which is strengthening Belgian-Polish business relations.
